Further, actual events and financial outcomes may differ significantly from what is described in such statements as a result of the materialisation of risks and other factors affecting the Group's operations. Such factors of a significant nature are mentioned in the section "*Risk factors related to Nyfosa*" in the Registration Document and "*Risk factors related to the Bonds*" in this Securities Note.

The Bonds may not be a suitable investment for all investors and each potential investor in the Bonds must determine the suitability of that investment in light of its own circumstances. RISK FACTORS RELATED TO THE BONDS

The purpose of this section is to enable a potential investor to assess the relevant risks related to their potential investment in the Bonds in order to make an informed investment decision. The below risk factors are therefore limited to risks that, in the meaning of Regulation (EU) 2017/1129, are material and specific to the Bonds. Material risks related to the Issuer are set out in the Registration Document.

The manner in which the Bonds are affected by each risk factor is illustrated by way of an evaluation of the materiality of the relevant risk factor based on the relative probability of it occurring and the expected magnitude of its negative impact, for the purpose of which the probability is estimated as “low”, “medium” or “high” and the magnitude of negative impact if it would occur as “low”, “medium” or “high”. Irrespective of the probability or magnitude of negative impact stated in relation to each risk factor, all risk factors included below have been assessed by the Issuer to be material and specific to the Bonds in the meaning of Regulation (EU) 2017/1129.

The risk factors are organised in several categories and the most material risk factor in a category is presented first under that category, whereas subsequent risk factors in the same category are not purported to be ranked in order of materiality.

RISK FACTORS SPECIFIC AND MATERIAL TO THE BONDS

I. Risks relating to the nature of the Bonds

Interest rate risks and benchmarks

The Bonds' value depends on several factors, one of the more significant over time being the level of market interest. The Bonds bear a floating rate interest of STIBOR plus a certain margin and the interest rate is therefore adjusted according to changes in the level of the general interest rate. Hence, there is a risk that increased general interest rate levels significantly affect the market value of the Bonds.

The determining interest rate benchmarks, such as STIBOR has been subject to regulatory changes, such as the Benchmarks Regulation (Regulation (EU) 2016/1011 on indices used as benchmarks in financial and contracts or to measure the performance of investment funds), amending Directives 2008/48/EC and 2014/17/EU and Regulation (EU) No 596/2014, (the “BMR”). The implementation of the BMR will lead to that certain previously used benchmarks will be discontinued, leading to that, among others, existing financing arrangements may need to be renegotiated or terminated. There is a risk that also STIBOR will be discontinued, or that alternative benchmark rates will dominate market practice, leading to uncertainties in relation to the interest rate payable in relation to the Bonds. Increased or altered regulatory requirements and risks associated with the BMR (as amended) involve inherent risks as the effects cannot be fully assessed at this point in time. There is a risk that developments in relation to STIBOR cause volatility in STIBOR, which would affect the interest rate for the Bonds.

The Issuer considers that the probability that the risks described above would materialise to be medium. If the risks would materialise, the Issuer considers the potential negative impact to be medium.

Insolvency of subsidiaries and structural subordination

The Issuer is dependent upon receipt of sufficient income, dividends and other distributions from the Issuer's subsidiaries in order for the Issuer to make payments under the Bonds. Furthermore, the ability of the Issuer's subsidiaries to make such payments to the Issuer is subject to, among others, the availability of funds as well as corporate and legal restrictions. In the event of insolvency, liquidation or a similar event relating to one or several of the Issuer's subsidiaries, all creditors of such subsidiary would be entitled to payment in full out of the assets of such subsidiary before the Issuer, as a shareholder, would be entitled to any payments. Thus, the Bonds are structurally subordinated to the liabilities of such subsidiaries. Defaults by, or the insolvency of, certain subsidiaries of the Issuer may

result in the obligation for the Issuer to make payments under financial or performance guarantees in respect of such subsidiaries' obligations or the occurrence of cross defaults on certain borrowings of the Group. There is a risk that the Issuer and its assets would not be protected from actions by the creditors of a subsidiary, whether under bankruptcy law, by contract or otherwise. If such risk would materialise, it could have a material negative impact on the Issuer's financial position and on the holders' of the Bonds recovery under the Bonds.

In addition to the indebtedness incurred under the Bonds, the Group has the ability to incur further indebtedness, e.g. the Issuer has and may incur debt to credit institutions. In addition, the Issuer and its subsidiaries may provide security for such financial indebtedness as permitted under the terms and conditions for the Bonds (the "**Terms and Conditions**"). Incurring such additional indebtedness and the provision of security may reduce the amount (if any) recoverable by the holders if the Issuer is subject to any dissolution, winding-up, liquidation, restructuring (Sw. *företagsrekonstruktion*), administrative or other bankruptcy or insolvency proceedings.

The Issuer considers that the probability that the risk described above would materialise to be low. If the risk would materialise, the Issuer considers the potential negative impact to be medium.

Unsecured obligations

The Bonds represent unsecured debt obligations of the Issuer. This means that if the Issuer is subject to any dissolution, winding-up, liquidation, restructuring (Sw. *företagsrekonstruktion*), administrative or other bankruptcy or insolvency proceedings, the holders of the Bonds receive payment after any priority creditors have been paid in full. As a result, there is a risk that the holders of the Bonds will not recover any or all of their investment. Each investor should therefore be aware of that an investment in the Bonds entails a risk that the investor loses all or part of its investment if the Issuer becomes liquidated, bankrupt, insolvent, carries out a restructuring or is wound-up.

The Issuer considers that the probability that the risk described above would materialise to be low. If the risk would materialise, the Issuer considers the potential negative impact to be medium.

Credit risks

An investment in the Bonds includes a credit risk in relation to the Group. Credit risk entails the possibility of loss due to a borrower's defaulting on a loan or not meeting contractual obligations. The holders' of the Bonds ability to receive payment under the Terms and Conditions is dependent upon the Issuer's and the Group's ability to meet its payment obligations, which, in turn, is dependent upon the performance of the Group's operations and its financial position. The Group's financial position is affected by several factors, a number of which have been discussed herein. An increased credit risk may cause the market to charge the Bonds a higher risk premium, which would have an adverse effect on the value of the Bonds. Another aspect of the credit risk is that any deterioration in the financial position of the Group may entail a lower credit-worthiness and the possibility for the Group to receive financing may be impaired when the Bonds mature.

The Issuer considers that the probability that the risk described above would materialise to be low. If the risk would materialise, the Issuer considers the potential negative impact to be medium.

II. Risks relating to the admission of the Bonds to trading on a regulated market and in relation to the green finance framework

Liquidity risks and secondary market

The Issuer has undertaken to ensure that the Bonds are admitted to trading on the sustainable bond list of Nasdaq Stockholm, or, if such admission to trading is not possible to obtain or maintain, admitted to trading on any other regulated market (as defined in Directive 2014/65/EU) within certain stipulated time periods, as defined in the Terms and Conditions, and the failure to do so provides each of the holders

of the Bonds with a right of prepayment (put option) of its Bonds. Such failure may also result in the termination and acceleration of the Bonds due to an Event of Default (as defined in the Terms and Conditions).

There is a risk that the Bonds will not be admitted to trading within the stipulated timeframe, or at all, and that the Issuer will not be able to maintain the admission to trading of its Bonds. Even if the Bonds are admitted to trading, active trading in the securities may not always occur and thus, there is a risk that there will not be a liquid market for trading in the Bonds or that this market will be maintained. Considering particularly that the Bonds are traded over-the-counter (OTC), there is a risk for smaller volume of trades. If a liquid market for trading in the Bonds will not exist or not be maintained, this may result in that the holder of the Bonds cannot sell their Bonds when desired or at a price level which allows for a profit comparable to similar investments with an active and functioning secondary market.

Furthermore, if the Issuer fails to procure listing in time, investors holding Bonds on an investment savings account (Sw. ISK or IS-konto) will no longer be able to hold the Bonds on such account, thus affecting such investor's tax situation significantly.

It should also be noted that during a given time period it may be difficult or impossible to sell the Bonds (at all or at reasonable terms) due to, for example, severe price fluctuations, close down of the relevant market or trade restrictions imposed on the market.

The Issuer considers that the probability that the risk described above would materialise to be low. If the risk would materialise, the Issuer considers the potential negative impact as medium.

Risks related to the labelling of the Bonds

The Issuer intends to use the proceeds of the issue of the Bonds and any Subsequent Bonds in accordance with the Issuer's green finance framework (the "**Green Finance Framework**") in force as at the relevant Issue Date, and which is based on the Green Bond Principles issued by the International Capital Markets Association. As there is no unequivocal definition of, legal or otherwise, or market consensus as to what constitutes a "green" or an equivalently-labelled project, there is a risk that any projects, asset or uses defined in the Green Finance Framework will not meet current or future investor expectations regarding such "green" or other equivalently-labelled performance objectives. Furthermore, future developments from regulatory initiatives regarding the definition of "green" and the standards for green capital markets instruments, such as Regulation (EU) 2020/852 on the establishment of a framework to facilitate sustainable investment (the "**Taxonomy Regulation**") and the Regulation (EU) 2023/2631 on European Green Bonds and optional disclosures for bonds marketed as environmentally sustainable and for sustainability-linked bonds (the "EU Green Bond Standard"), may render the eligible projects for the Bonds, as described in the Green Finance Framework, obsolete or otherwise not in line with regulatory standards. This could lead to present or future investor expectations or requirements as regards any investment criteria or guidelines whether according to applicable law or regulations or by such investor's own by-laws, governing rules or investment portfolio mandates cannot be satisfied. Furthermore, the fact the EU Green Bond Standard requires that the use of proceeds are aligned with the Taxonomy Regulation could result in also the unregulated green bond market moving towards alignment with the Taxonomy Regulation. Consequently, and since the net proceeds from the Bonds will not explicitly (but could be) used in alignment with the Taxonomy Regulation, it cannot be excluded that the Bonds will not meet current or future investor expectations or requirements with respect to "green" or an equivalently-labelled projects. Due to the rapidly changing market conditions for green securities, including any risks of greenwashing, there is a risk that current or future investor expectations will not be met which could negatively affect the secondary trading of the Bonds. Furthermore, a failure to apply the proceeds in accordance with the Green Finance Framework could result in investors being in breach of investment criteria or guidelines with which an investor is required

to comply which could result in remedies under the relevant investment criteria or guidelines, leading to claims or reputational damage.

The Issuer has appointed ISS Corporate Solutions ("**ISS-Corporate**") for an independent, research-based evaluation of the Issuer's Green Finance Framework which has resulted in a second party opinion dated April 2024 (the "**Second Party Opinion**"). ISS-Corporate is neither responsible for how the Green Finance Framework is implemented and followed up by investors, authorities (as applicable) or other stakeholders, nor is ISS-Corporate responsible for the outcome of the investments described in the Green Finance Framework. There is a risk that the suitability or reliability of the Second Party Opinion is challenged by the Issuer, a potential investor, a holder, or any third party. Furthermore, whilst there are regulatory developments ongoing, ISS-Corporate is currently not subject to any regulatory regime or oversight and there is a risk that such providers will be deemed as not being reliable or objective in the future.

As the market conditions for green bonds is rapidly changing, there is a risk that current or future investor expectations will not be met which could negatively affect the secondary trading of the Bonds. This could lead to holders being unable to trade its Bonds at attractive terms, or at all, or that any possession of Bonds is connected to reputational damage.

The Issuer considers that the probability of the Issuer facing adverse effects relating to the labelling of the Bonds as "green" is low. If the effects would materialise, the Issuer considers the potential negative impact as medium.

Risks related to the allocation of funds in accordance with the Green Finance Framework

There is a risk that the net proceeds from the Bonds and any Subsequent Bonds issued in accordance with the Issuer's Green Finance Framework may only partly or not at all be used to finance or refinance projects that fulfil the conditions under the Green Finance Framework due to circumstances beyond the Issuer's control. For example, whereas net proceeds may be used to finance renewable energy projects, there is a risk that the Issuer's customers will not seek such financing. There is also a risk that the net proceeds may only partially or not at all achieve the environmental benefits or sustainability goals that have motivated the investment, which could risk impairing the Issuer's reputation and contradicting the purpose of an investment in Bonds and any Subsequent Bonds issued in accordance with the Issuer's Green Finance Framework.

The Issuer considers that the probability that the risk described above would materialise to be low. If the risk would materialise, the Issuer considers the potential negative impact as low.

- 5.4 The Agent may assume that the documentation and evidence delivered to it pursuant to this Clause 5 is accurate, legally valid, enforceable, correct, true and complete unless it has actual knowledge to the contrary and the Agent does not have to verify or assess the contents of any such documentation or evidence. The Agent does not have any obligation to review the documentation and evidence set out in this Clause 5 from a legal or commercial perspective of the Holders.

6 THE BONDS AND TRANSFERABILITY

- 6.1 Each Holder is bound by these Terms and Conditions without there being any further actions required to be taken or formalities to be complied with.

- 6.2 The Bonds are freely transferable. All Bond transfers are subject to these Terms and Conditions and these Terms and Conditions are automatically applicable in relation to all Bond transferees upon completed transfer.
- 6.3 Upon a transfer of Bonds, any rights and obligations under these Terms and Conditions relating to such Bonds are automatically transferred to the transferee.
- 6.4 No action is being taken in any jurisdiction that would or is intended to permit a public offering of the Bonds or the possession, circulation or distribution of any document or other material relating to the Issuer or the Bonds in any jurisdiction other than Sweden, where action for that purpose is required. Each Holder must inform itself about, and observe, any applicable restrictions to the transfer of material relating to the Issuer or the Bonds, (due to, e.g., its nationality, its residency, its registered address or its place(s) of business). Each Holder must ensure compliance with such restrictions at its own cost and expense.
- 6.5 For the avoidance of doubt and notwithstanding the above, a Holder which allegedly has purchased Bonds in contradiction to mandatory restrictions applicable may nevertheless utilise its voting rights under these Terms and Conditions and shall be entitled to exercise its full rights as a Holder hereunder in each case until such allegations have been resolved.

7 BONDS IN BOOK-ENTRY FORM

- 7.1 The Bonds will be registered for the Holders on their respective Securities Accounts and no physical Bonds will be issued. Accordingly, the Bonds will be registered in accordance with the Central Securities Depositories and Financial Instruments Accounts Act. Registration requests relating to the Bonds shall be directed to an Account Operator. The debt register shall constitute conclusive evidence of the persons who are Holders and their holdings of Bonds.
- 7.2 Those who according to assignment, security, the provisions of the Swedish Children and Parents Code (*Sw. föräldrabalken (1949:381)*), conditions of will or deed of gift or otherwise have acquired a right to receive payments in respect of a Bond shall register their entitlements to receive payment in accordance with the Central Securities Depositories and Financial Instruments Accounts Act.
- 7.3 The Issuer (and the Agent when permitted under the CSD's applicable regulations) shall be entitled to obtain information from the debt register (*Sw. skuldbok*) kept by the CSD in respect of the Bonds. At the request of the Agent, the Issuer shall promptly obtain such information and provide it to the Agent.
- 7.4 For the purpose of or in connection with any Holders' Meeting or any Written Procedure, the Issuing Agent shall be entitled to obtain information from the debt register kept by the CSD in respect of the Bonds. If the Agent does not otherwise obtain information from such debt register as contemplated under these Terms and Conditions, the Issuing Agent shall at the request of the Agent obtain information from the debt register and provide it to the Agent. At the request of the Agent, the Issuer shall promptly instruct the Issuing Agent to obtain

information from the debt register kept by the CSD in respect of the Bonds and provide it to the Agent.

- 7.5 The Issuer shall issue any necessary power of attorney to such persons employed by the Agent, as notified by the Agent, in order for such individuals to independently obtain information directly from the debt register kept by the CSD in respect of the Bonds. The Issuer may not revoke any such power of attorney unless directed by the Agent or unless consent thereto is given by the Holders.
- 7.6 The Issuer (and the Agent when permitted under the CSD's applicable regulations) may use the information referred to in Clause 7.3 only for the purposes of carrying out their duties and exercising their rights in accordance with these Terms and Conditions and the Agency Agreement and shall not disclose such information to any Holder or third party unless necessary for such purposes.

8 RIGHT TO ACT ON BEHALF OF A HOLDER

- 8.1 If any Person other than a Holder wishes to exercise any rights under these Terms and Conditions, it must obtain a power of attorney (or, if applicable, a coherent chain of powers of attorney), a certificate from the authorised nominee or other sufficient proof of authorisation for such Person.
- 8.2 A Holder may issue one or several powers of attorney to third parties to represent it in relation to some or all of the Bonds held by it. Any such representative may act independently under these Terms and Conditions in relation to the Bonds for which such representative is entitled to represent the Holder.
- 8.3 The Agent shall only have to examine the face of a power of attorney or other proof of authorisation that has been provided to it pursuant to Clauses 8.1 and 8.2 and may assume that it has been duly authorised, is valid, has not been revoked or superseded and that it is in full force and effect, unless otherwise is apparent from its face.

9 PAYMENTS IN RESPECT OF THE BONDS

- 9.1 Any payment or repayment under these Terms and Conditions, or any amount due in respect of a repurchase of any Bonds, shall be made to such Person who is registered as a Holder on the Record Date prior to the relevant payment date, or to such other Person who is registered with the CSD on such date as being entitled to receive the relevant payment, repayment or repurchase amount.
- 9.2 If a Holder has registered, through an Account Operator, that principal, Interest and any other payment that shall be made under these Terms and Conditions shall be deposited in a certain bank account; such deposits will be effectuated by the CSD on the relevant payment date. Should the CSD, due to a delay on behalf of the Issuer or some other obstacle, not be able to effectuate payments as aforesaid, the Issuer shall procure that such amounts are paid to the

Persons who are registered as Holders on the relevant Record Date as soon as possible after such obstacle has been removed.

- 9.3 If, due to any obstacle for the CSD, the Issuer cannot make a payment or repayment, such payment or repayment may be postponed until the obstacle has been removed. Interest shall accrue in accordance with Clause 10.4 during such postponement.
- 9.4 If payment or repayment is made in accordance with this Clause 9, the Issuer and the CSD shall be deemed to have fulfilled their obligation to pay, irrespective of whether such payment was made to a Person not entitled to receive such amount, unless the Issuer or the CSD (as applicable) was aware of that the payment was being made to a Person not entitled to receive such amount.
- 9.5 The Issuer shall pay any stamp duty and other public fees accruing in connection with the Initial Bond Issue or a Subsequent Bond Issue, but not in respect of trading in the secondary market (except to the extent required by applicable law), and shall deduct at source any applicable withholding tax payable pursuant to law. The Issuer shall not be liable to reimburse any stamp duty or public fee or to gross-up any payments under these Terms and Conditions by virtue of any withholding tax.

10 INTEREST

- 10.1 The Initial Bonds will bear Interest at the Interest Rate applied to the Nominal Amount from, but excluding, the First Issue Date up to and including the relevant Redemption Date. Any Subsequent Bond will, however, carry Interest at the Interest Rate from, but excluding, the Interest Payment Date falling immediately prior to its issuance (or the First Issue Date if there is no such Interest Payment Date) up to and including the relevant Redemption Date.
- 10.2 Interest accrues during an Interest Period. Payment of Interest in respect of the Bonds shall be made quarterly in arrears to the Holders on each Interest Payment Date for the preceding Interest Period.
- 10.3 Interest shall be calculated on the basis of the actual number of days in the Interest Period in respect of which payment is being made divided by 360 (actual/360-days basis).
- 10.4 If the Issuer fails to pay any amount payable by it under these Terms and Conditions on its due date, default interest shall accrue on the overdue amount from, but excluding, the due date up to and including the date of actual payment at a rate which is two hundred (200) basis points higher than the Interest Rate. Accrued default interest shall not be capitalised. No default interest shall accrue where the failure to pay was solely attributable to the Agent or the CSD, in which case the Interest Rate shall apply instead.

11 REPLACEMENT OF BASE RATE

11.1 General

11.1.1 Any determination or election to be made by an Independent Adviser, the Issuer or the Holders in accordance with the provisions of this Clause 11 shall at all times be made by such Independent Adviser, the Issuer or the Holders (as applicable) acting in good faith, in a commercially reasonable manner and by reference to relevant market data.

11.1.2 If a Base Rate Event has occurred, this Clause 11 shall take precedent over the fallbacks set out in paragraph (b) to (d) of the definition of STIBOR.

11.2 Definitions

In this Clause 11:

"Adjustment Spread" means a spread (which may be positive, negative or zero) or a formula or methodology for calculating a spread, or a combination thereof to be applied to a Successor Base Rate and that is:

- (a) formally recommended by any Relevant Nominating Body in relation to the replacement of the Base Rate; or
- (b) if (a) is not applicable, the adjustment spread that the Independent Adviser determines is reasonable to use in order to eliminate, to the extent possible, any transfer of economic value from one party to another as a result of a replacement of the Base Rate and is customarily applied in comparable debt capital market transactions.

"Base Rate Amendments" has the meaning set forth in Clause 11.3.4.

"Base Rate Event" means one or several of the following circumstances:

- (a) the Base Rate (for the relevant Interest Period) has ceased to exist or ceased to be published for at least five (5) consecutive Business Days as a result of the Base Rate (for the relevant Interest Period) ceasing to be calculated or administered;
- (b) a public statement or publication of information by (i) the supervisor of the Base Rate Administrator or (ii) the Base Rate Administrator that the Base Rate Administrator ceases to provide the applicable Base Rate (for the relevant Interest Period) permanently or indefinitely and, at the time of the statement or publication, no successor administrator has been appointed or is expected to be appointed to continue to provide the Base Rate;
- (c) a public statement or publication of information in each case by the supervisor of the Base Rate Administrator that the Base Rate (for the relevant Interest Period) is no longer representative of the underlying market which the Base Rate is intended to represent and the representativeness of the Base Rate will not be restored in the opinion of the supervisor of the Base Rate Administrator;

- (d) a public statement or publication of information in each case by the supervisor of the Base Rate Administrator with the consequence that it is unlawful for the Issuer or the Issuing Agent to calculate any payments due to be made to any Holder using the applicable Base Rate (for the relevant Interest Period) or it has otherwise become prohibited to use the applicable Base Rate (for the relevant Interest Period);
- (e) a public statement or publication of information in each case by the bankruptcy trustee of the Base Rate Administrator or by the trustee under the bank recovery and resolution framework (Sw. *krishanteringsregelverket*) containing the information referred to in (b) above; or,

a Base Rate Event Announcement has been made and the announced Base Rate Event as set out in (b) to (e) above will occur within six (6) months.

"Base Rate Event Announcement" means a public statement or published information as set out in paragraph (b) to (e) of the definition of Base Rate Event that any event or circumstance specified therein will occur.

"Independent Adviser" means an independent financial institution or adviser of repute in the debt capital markets where the Base Rate is commonly used.

"Relevant Nominating Body" means, subject to applicable law, firstly any relevant supervisory authority, secondly any applicable central bank, or any working group or committee of any of them, or thirdly the Financial Stability Council (Sw. *Finansiella stabilitetsrådet*) or any part thereof.

"Successor Base Rate" means:

- (a) a screen or benchmark rate, including the methodology for calculating term structure and calculation methods in respect of debt instruments with similar interest rate terms as the Notes, which is formally recommended as a successor to or replacement of the Base Rate by a Relevant Nominating Body; or
- (b) if there is no such rate as described in paragraph (a), such other rate as the Independent Adviser determines is most comparable to the Base Rate.
- (c) For the avoidance of doubt, in the event that a Successor Base Rate ceases to exist, this definition shall apply mutatis mutandis to such new Successor Base Rate.

11.3 Determination of Base Rate, Adjustment Spread and Base Rate Amendments

11.3.1 Without prejudice to Clause 11.3.2, upon a Base Rate Event Announcement, the Issuer may, if it is possible to determine a Successor Base Rate at such point of time, at any time before the occurrence of the relevant Base Rate Event at the Issuer's expense appoint an Independent Adviser to initiate the procedure to determine a Successor Base Rate, the Adjustment Spread and any Base Rate Amendments for purposes of determining, calculating and finally deciding the applicable Base Rate. For the avoidance of doubt, the Issuer will not be obliged to take any such actions until obliged to do so pursuant to Clause 11.3.2.

- 11.3.2 If a Base Rate Event has occurred, the Issuer shall use all commercially reasonable endeavours to, as soon as reasonably practicable and at the Issuer's expense, appoint an Independent Adviser to initiate the procedure to determine, as soon as commercially reasonable, a Successor Base Rate, the Adjustment Spread and any Base Rate Amendments for purposes of determining, calculating, and finally deciding the applicable Base Rate.
- 11.3.3 If the Issuer fails to appoint an Independent Adviser in accordance with Clause 11.3.2, the Holders shall, if so decided at a Holders' Meeting or by way of Written Procedure, be entitled to appoint an Independent Adviser (at the Issuer's expense) for the purposes set forth in Clause 11.3.2. If an Event of Default has occurred and is continuing, or if the Issuer fails to carry out any other actions set forth in Clause 11.3 to 11.6, the Agent (acting on the instructions of the Holders) may to the extent necessary effectuate any Base Rate Amendments without the Issuer's cooperation.
- 11.3.4 The Independent Adviser shall also initiate the procedure to determine any technical, administrative or operational changes required to ensure the proper operation of a Successor Base Rate or to reflect the adoption of such Successor Base Rate in a manner substantially consistent with market practice ("**Base Rate Amendments**").
- 11.3.5 Provided that a Successor Base Rate, the applicable Adjustment Spread and any Base Rate Amendments have been finally decided no later than prior to the relevant Quotation Day in relation to the next succeeding Interest Period, they shall become effective with effect from and including the commencement of the next succeeding Interest Period, always subject to any technical limitations of the CSD and any calculations methods applicable to such Successor Base Rate.

11.4 Interim measures

- 11.4.1 If a Base Rate Event set out in any of the paragraphs (a) to (e) of the Base Rate Event Definition has occurred but no Successor Base Rate and Adjustment Spread have been finally decided prior to the relevant Quotation Day in relation to the next succeeding Interest Period or if such Successor Base Rate and Adjustment Spread have been finally decided but due to technical limitations of the CSD, cannot be applied in relation to the relevant Quotation Day, the Interest Rate applicable to the next succeeding Interest Period shall be:
- (a) if the previous Base Rate is available, determined pursuant to the terms that would apply to the determination of the Base Rate as if no Base Rate Event had occurred; or
 - (b) if the previous Base Rate is no longer available or cannot be used in accordance with applicable law or regulation, equal to the Interest Rate determined for the immediately preceding Interest Period.
- 11.4.2 For the avoidance of doubt, Clause 11.4.1 shall apply only to the relevant next succeeding Interest Period and any subsequent Interest Periods are subject to the subsequent operation of, and to adjustments as provided in, this Clause 11. This will however not limit the application

of Clause 11.4.1 for any subsequent Interest Periods, should all relevant actions provided in this Clause 11 have been taken, but without success.

11.5 Notices

Prior to the Successor Base Rate, the applicable Adjustment Spread and any Base Rate Amendments become effective the Issuer shall promptly, following the final decision by the Independent Adviser of any Successor Base Rate, Adjustment Spread and any Base Rate Amendments, give notice thereof to the Agent, the Issuing Agent and the Holders in accordance with Clause 26 (*Notices and press releases*) and the CSD. 11.7 Limitation of liability for the Independent Adviser

- (i) prepare and make available the annual audited consolidated financial statements of the Group and the annual audited unconsolidated financial statements of the Issuer, including a profit and loss account, a balance sheet, a cash flow statement and management commentary or report from the Issuer's board of directors, to the Agent and on its website not later than four (4) months after the expiry of each financial year;
- (ii) prepare and make available the quarterly interim unaudited consolidated reports of the Group and the quarterly interim unaudited unconsolidated reports of the Issuer, including a profit and loss account, a balance sheet, a cash flow statement and management commentary or report from the Issuer's board of directors, to the Agent and on its website not later than two (2) months after the expiry of each relevant interim period;
- (iii) prepare and make available a report of the use of proceeds of the Bonds in accordance with the Issuer's Green Finance Framework to the Agent and on its website in connection with the publication of the annual audited unconsolidated financial statements of the Issuer;
- (iv) issue a Compliance Certificate to the Agent (i) when a Financial Report is made available, (ii) in connection with a Subsequent Bond Issue, (iii) in connection with a Restricted Payment being made, which requires that the Incurrence Test is met, and (iv) at the Agent's reasonable request, within twenty (20) calendar days from such request;
- (v) keep the latest version of these Terms and Conditions (including documents amending these Terms and Conditions), its Green Finance Framework and the second opinion relating to its Green Finance Framework available on its website;
- (vi) promptly notify the Agent (and, as regards a Change of Control Event, a De-listing Event or a Listing Failure Event, the Holders) upon becoming aware of the occurrence of a Change of Control Event, a De-listing Event, a Listing Failure Event or an Event

of Default, and shall provide the Agent with such further information as the Agent may request (acting reasonably) following receipt of such notice (including, for the avoidance of doubt, calculations, figures and supporting documents in respect of the Maintenance Test); and

- (vii) prepare the Financial Reports in accordance with the Accounting Principles and make them available in accordance with the rules and regulations of Nasdaq Stockholm or any other Regulated Market on which the Issuer's securities from time to time are listed or admitted to trading (as amended from time to time) and the Swedish Securities Market Act (*Sw. lag (2007:528) om värdepappersmarknaden*) (as amended from time to time).

14.12.2 The Issuer shall, upon request by the Agent, provide the Agent with (i) any information relating to a transaction referred to in Clause 14.6 (*Disposals of assets, mergers and demergers*) which the Agent deems necessary (acting reasonably) and, if relevant, (ii) a determination from the Issuer which states whether the transaction is carried out at fair market value and on terms and conditions customary for such transaction or not and whether it has a Material Adverse Effect or not. The Agent may assume that any information provided by the Issuer is correct, and the Agent shall not be responsible or liable for the adequacy, accuracy or completeness of such information. The Agent is not responsible for assessing if the transaction is carried out at fair market value and on terms and conditions customary for such transaction and whether it has a Material Adverse Effect, but is not bound by the Issuer's determination under item (ii) above.

14.12.3 The Issuer is only obliged to inform the Agent according to Clause 14.12.1(vi) if informing the Agent would not conflict with any statute or the Issuer's registration contract with Nasdaq Stockholm or any other Regulated Market or recognised unregulated market place on which the Issuer's securities from time to time are listed. If such a conflict would exist pursuant to such listing contract or otherwise, the Issuer shall however be obliged to either seek the approval from the relevant marketplace or undertake other reasonable measures, including entering into a non-disclosure agreement with the Agent, in order to be able to timely inform the Agent according to Clause 14.12.1(vi).

14.13 Agency Agreement

14.13.1 The Issuer shall, in accordance with the Agency Agreement:

- (a) pay fees to the Agent;
- (b) indemnify the Agent for costs, losses and liabilities;
- (c) furnish to the Agent all information reasonably requested by or otherwise required to be delivered to the Agent; and
- (d) not act in a way which would give the Agent a legal or contractual right to terminate the Agency Agreement.

14.13.2 The Issuer and the Agent shall not agree to amend any provisions of the Agency Agreement without the prior consent of the Holders if the amendment would be detrimental to the interests of the Holders.

14.14 CSD related undertakings

The Issuer shall keep the Bonds affiliated with a CSD and comply with all CSD regulations applicable to the Issuer from time to time.

15 TERMINATION OF THE BONDS

15.1 The Agent is entitled to and shall following a demand in writing from a Holder (or Holders) representing at least fifty (50.00) per cent. of the Adjusted Nominal Amount (such demand may only be validly made by a person who is a Holder on the second Business Day following the day on which the demand is received by the Agent and shall, if made by several Holders, be made by them jointly) or following an instruction or decision pursuant to Clause 15.6 or 15.7, on behalf of the Holders, terminate the Bonds and to declare all, but not only some, of the Bonds due for payment immediately or at such later date as the Agent determines (such later date not falling later than twenty (20) Business Days from the date on which the Agent made such declaration), if:

- (a) Non-payment: The Issuer fails to pay an amount on the date it is due in accordance with these Terms and Conditions unless its failure to pay is due to technical or administrative error and is remedied within five (5) Business Days of the due date;
- (b) Other obligations: The Issuer does not comply with these Terms and Conditions in any other way than as set out under item (a) above, unless the non-compliance is (i) capable of being remedied and (ii) is remedied within fifteen (15) Business Days of the earlier of the Agent giving notice and the Issuer becoming aware of the non-compliance (if the failure or violation is not capable of being remedied, the Agent may declare the Bonds payable without such prior written request);
- (c) Cross payment default/Cross-acceleration:
 - (i) Any Financial Indebtedness of a Group Company is not paid when due nor within any originally applicable grace period, or is declared to be or otherwise becomes due and payable prior to its specified maturity as a result of an event of default (however described); or
 - (ii) any security interest securing Financial Indebtedness over any asset of any Group Company is enforced,

provided however that the amount of Financial Indebtedness referred to under item (i) and/or (ii) above, individually or in the aggregate exceeds an amount corresponding to SEK 50,000,000 and provided that it does not apply to any Financial Indebtedness owed to a Group Company;

- (d) Insolvency:
- (i) Any Group Company is unable or admits inability to pay its debts as they fall due or is declared to be unable to pay its debts under applicable law, suspends making payments on its debts generally or, by reason of actual or anticipated financial difficulties, commences negotiations with its creditors (other than under these Terms and Conditions) with a view to rescheduling its Financial Indebtedness; or
 - (ii) a moratorium is declared in respect of the Financial Indebtedness of any Group Company;

provided however that the assets of the Group Company referred to under item (i) and/or (ii) above, individually or in the aggregate have a value equal to or exceeding SEK 50,000,000, calculated in accordance with the latest Financial Report (as applicable);

- (e) Insolvency proceedings: Any corporate action, legal proceedings or other procedures are taken (other than (i) proceedings or petitions which are being disputed in good faith and are discharged, stayed or dismissed within thirty (30) calendar days of commencement or, if earlier, the date on which it is advertised and (ii), in relation to the Subsidiaries, solvent liquidations) in relation to:
- (i) the suspension of payments, winding-up, dissolution, administration or company reorganisation (*Sw. företagsrekonstruktion*) (by way of voluntary agreement, scheme of arrangement or otherwise) of any Group Company;
 - (ii) the appointment of a liquidator, receiver, administrator, administrative receiver, compulsory manager or other similar officer in respect of any Group Company or any of its assets; or
 - (iii) any analogous procedure or step is taken in any jurisdiction in respect of any Group Company;

provided however that the assets of the Group Company referred to under item (i), (ii) and/or (iii) above, individually or in the aggregate have a value equal to or exceeding SEK 50,000,000, calculated in accordance with the latest Financial Report (as applicable);

- (f) Mergers and demergers of the Issuer:

The Issuer merges with any other Person, or is subject to a demerger, with the effect that the Issuer is not the surviving entity;

- (g) Creditors' process: Any expropriation, attachment, sequestration, distress or execution or any analogous process in any jurisdiction affects any asset or assets of any Group Company having an aggregate value equal to or exceeding SEK 30,000,000 and is not discharged within sixty (60) calendar days;

- (h) Impossibility or illegality: It is or becomes impossible or unlawful for the Issuer to fulfil or perform any of the provisions of these Terms and Conditions or if the obligations under these Terms and Conditions are not, or cease to be, legal, valid, binding and enforceable; or
 - (i) Continuation of the business: A Group Company ceases to carry on its business, except if due to (i) a solvent liquidation of a Group Company other than the Issuer or (ii) a permitted disposal, merger or demerger as stipulated Clause 15.1(f) (*Mergers and demergers of the Issuer*) and provided, in relation to a discontinuation of a Group Company other than the Issuer, that such discontinuation is likely to have a Material Adverse Effect.
- 15.2 The Agent may not terminate the Bonds in accordance with Clause 15.1 by reference to a specific Event of Default if it is no longer continuing or if it has been decided, in accordance with these Terms and Conditions, to waive such Event of Default (temporarily or permanently). However, if a moratorium occurs, the ending of that moratorium will not prevent termination for payment prematurely on the ground mentioned under Clause 15.1(d) (*Insolvency*).
- 15.3 If the right to terminate the Bonds is based upon a decision of a court of law or a government authority, it is not necessary that the decision has become enforceable under law or that the period of appeal has expired in order for cause of termination to be deemed to exist.
- 15.4 The Issuer is obliged to inform the Agent immediately if any circumstance of the type specified in Clause 15.1 should occur. Should the Agent not receive such information, the Agent is entitled to assume that no such circumstance exists or can be expected to occur, provided that the Agent does not have knowledge of such circumstance. The Agent is under no obligations to make any investigations relating to the circumstances specified in Clause 15.1. The Issuer shall further, at the request of the Agent, provide the Agent with details of any circumstances referred to in Clause 15.1 and provide the Agent with all documents that may be of significance for the application of this Clause 15.
- 15.5 The Issuer is only obliged to inform the Agent according to Clause 15.4 if informing the Agent would not conflict with any statute or the Issuer's registration contract with Nasdaq Stockholm or any other Regulated Market or recognised unregulated market place on which the Issuer's securities from time to time are listed. If such a conflict would exist pursuant to such listing contract or otherwise, the Issuer shall however be obliged to either seek the approval from the relevant marketplace or undertake other reasonable measures, including entering into a non-disclosure agreement with the Agent, in order to be able to timely inform the Agent according to Clause 15.4.
- 15.6 If the Agent has been notified by the Issuer or has otherwise determined that there is a default under these Terms and Conditions according to Clause 15.1, the Agent shall (i) notify, within five (5) Business Days of the day of notification or determination, the Holders of the default and (ii) decide, within twenty (20) Business Days of the day of notification or determination, if the Bonds shall be declared terminated. If the Agent has decided not to terminate the Bonds, the Agent shall, at the earliest possible date, notify the Holders that there exists a right of

termination and obtain instructions from the Holders according to the provisions in Clause 17 (*Decisions by Holders*). If the Holders vote in favour of termination and instruct the Agent to terminate the Bonds, the Agent shall promptly declare the Bonds terminated. However, if the cause for termination according to the Agent's appraisal has ceased before the termination, the Agent shall not terminate the Bonds. The Agent shall in such case, at the earliest possible date, notify the Holders that the cause for termination has ceased. The Agent shall always be entitled to take the time necessary to consider whether an occurred event constitutes an Event of Default.

- 15.7 If the Holders, without any prior initiative to decision from the Agent or the Issuer, have made a decision regarding termination in accordance with Clause 17 (*Decisions by Holders*), the Agent shall promptly declare the Bonds terminated.
- 15.8 If the Bonds are declared due and payable in accordance with the provisions in this Clause 15, the Agent shall take every reasonable measure necessary to recover the amounts outstanding under the Bonds.
- 15.9 For the avoidance of doubt, the Bonds cannot be terminated and become due for payment prematurely according to this Clause 15 without relevant decision by the Agent or following instructions from the Holders' pursuant to Clause 17 (*Decisions by Holders*).
- 15.10 If the Bonds are declared due and payable in accordance with this Clause 15, the Issuer shall redeem all Bonds at an amount per Bond equal to one hundred one (101.00) per cent. of the Nominal Amount (plus accrued but unpaid Interest).

16 DISTRIBUTION OF PROCEEDS

- 16.1 If the Bonds have been declared due and payable in accordance with Clause 15 (*Termination of the Bonds*), all payments by the Issuer relating to the Bonds shall be distributed in the following order of priority, in accordance with the instructions of the Agent:
- (a) *first*, in or towards payment pro rata of (i) all unpaid fees, costs, expenses and indemnities payable by the Issuer to the Agent, (ii) other costs, expenses and indemnities relating to the termination of the Bonds or the protection of the Holders' rights, (iii) any non-reimbursed costs incurred by the Agent for external experts, and (iv) any non-reimbursed costs and expenses incurred by the Agent in relation to a Holders' Meeting or a Written Procedure;
 - (b) *secondly*, in or towards payment pro rata of accrued but unpaid Interest under the Bonds (Interest due on an earlier Interest Payment Date to be paid before any Interest due on a later Interest Payment Date);
 - (c) *thirdly*, in or towards payment pro rata of any unpaid principal under the Bonds; and
 - (d) *fourthly*, in or towards payment pro rata of any other costs or outstanding amounts unpaid under these Terms and Conditions.

Any excess funds after the application of proceeds in accordance with items (a) to (d) above shall be paid to the Issuer. The application of proceeds in accordance with items (a) to (d) above shall, however, not restrict a Holders' Meeting or a Written Procedure from resolving that accrued Interest (whether overdue or not) shall be reduced without a corresponding reduction of principal.

- 16.2 If a Holder or another party has paid any fees, costs, expenses or indemnities referred to in Clause 16.1, such Holder or other party shall be entitled to reimbursement by way of a corresponding distribution in accordance with Clause 16.1.
- 16.3 Funds that the Agent receives (directly or indirectly) in connection with the termination of the Bonds constitute escrow funds (*Sw. redovisningsmedel*) according to the Escrow Funds Act (*Sw. lag (1944:181) om redovisningsmedel*) and must be held on a separate interest-bearing account on behalf of the Holders and the other interested parties. The Agent shall arrange for payments of such funds in accordance with this Clause 16 as soon as reasonably practicable.
- 16.4 If the Issuer or the Agent shall make any payment under this Clause 16, the Issuer or the Agent, as applicable, shall notify the Holders of any such payment at least fifteen (15) Business Days before the payment is made. Such notice shall specify the Record Date, the payment date and the amount to be paid. Notwithstanding the foregoing, for any Interest due but unpaid the Record Date specified in Clause 9.1 shall apply.

17 DECISIONS BY HOLDERS

- 17.1 A request by the Agent for a decision by the Holders on a matter relating to these Terms and Conditions shall (at the option of the Agent) be dealt with at a Holders' Meeting or by way of a Written Procedure.
- 17.2 Any request from the Issuer or a Holder (or Holders) representing at least ten (10.00) per cent. of the Adjusted Nominal Amount (such request may only be validly made by a Person who is a Holder on the Business Day immediately following the day on which the request is received by the Agent and shall, if made by several Holders, be made by them jointly) for a decision by the Holders on a matter relating to these Terms and Conditions shall be directed to the Agent and dealt with at a Holders' Meeting or by way of a Written Procedure, as determined by the Agent. The Person requesting the decision may suggest the form for decision making, but if it is in the Agent's opinion more appropriate that a matter is dealt with at a Holders' Meeting than by way of a Written Procedure, it shall be dealt with at a Holders' Meeting.
- 17.3 The Agent may refrain from convening a Holders' Meeting or instigating a Written Procedure if (i) the suggested decision must be approved by any Person in addition to the Holders and such Person has informed the Agent that an approval will not be given, or (ii) the suggested decision is not in accordance with applicable laws.
- 17.4 Only a Person who is, or who has been provided with a power of attorney or other proof of authorisation pursuant to Clause 8 (*Right to act on behalf of a Holder*) from a Person who is, registered as a Holder:

- (a) on the Record Date prior to the date of the Holders' Meeting, in respect of a Holders' Meeting, or
- (b) on the Business Day specified in the communication pursuant to Clause 19.3, in respect of a Written Procedure,

may exercise voting rights as a Holder at such Holders' Meeting or in such Written Procedure, provided that the relevant Bonds are included in the definition of Adjusted Nominal Amount.

17.5 The following matters shall require consent of Holders representing at least two thirds (2/3) of the Adjusted Nominal Amount for which Holders are voting at a Holders' Meeting or for which Holders reply in a Written Procedure in accordance with the instructions given pursuant to Clause 19.3:

- (a) waive a breach of or amend an undertaking set out in Clause 14 (*Special undertakings*);
- (b) a mandatory exchange of Bonds for other securities;
- (c) reduce the principal amount, Interest Rate or Interest which shall be paid by the Issuer (other than as a result of an application of Clause 11 (*Replacement of Base Rate*));
- (d) amend any payment day for principal or Interest or waive any breach of a payment undertaking; or
- (e) amend the provisions in this Clause 17.5 or Clause 17.6.

17.6 Any matter not covered by Clause 17.5 shall require the consent of Holders representing more than fifty (50.00) per cent. of the Adjusted Nominal Amount for which Holders are voting at a Holders' Meeting or for which Holders reply in a Written Procedure in accordance with the instructions given pursuant to Clause 19.3. This includes, but is not limited to, any amendment to or waiver of these Terms and Conditions that does not require a higher majority (other than an amendment or waiver permitted pursuant to Clause 20.1 (a), (b) or (c)) or a termination of the Bonds.

17.7 Quorum at a Holders' Meeting or in respect of a Written Procedure only exists if a Holder (or Holders) representing at least fifty (50.00) per cent. of the Adjusted Nominal Amount in respect of matters set out in Clause 17.5 above and at least twenty (20.00) per cent. of the Adjusted Nominal Amount in respect of matters set out in Clause 17.6 above:

- (a) if at a Holders' Meeting, attend the meeting in person or by telephone conference (or appear through duly authorised representatives); or
- (b) if in respect of a Written Procedure, reply to the request.

17.8 If a quorum does not exist at a Holders' Meeting or in respect of a Written Procedure, the Agent or the Issuer shall convene a second Holders' Meeting (in accordance with Clause 18.1) or initiate a second Written Procedure (in accordance with Clause 19.1), as the case may be, provided that the relevant proposal has not been withdrawn by the Person(s) who initiated the

procedure for Holders' consent. The quorum requirement in Clause 17.7 shall not apply to such second Holders' Meeting or Written Procedure.

- 17.9 Any decision which extends or increases the obligations of the Issuer or the Agent, or limits, reduces or extinguishes the rights or benefits of the Issuer or the Agent, under these Terms and Conditions and the Agency Agreement shall be subject to the Issuer's or the Agent's consent, as appropriate.
- 17.10 A Holder holding more than one Bond need not use all its votes or cast all the votes to which it is entitled in the same way and may in its discretion use or cast some of its votes only.
- 17.11 The Issuer may not, directly or indirectly, pay or cause to be paid any consideration to or for the benefit of any Holder for or as inducement to any consent under these Terms and Conditions, unless such consideration is offered to all Holders that consent at the relevant Holders' Meeting or in a Written Procedure within the time period stipulated for the consideration to be payable or the time period for replies in the Written Procedure, as the case may be.
- 17.12 A matter decided at a duly convened and held Holders' Meeting or by way of Written Procedure is binding on all Holders, irrespective of them being present or represented at the Holders' Meeting or responding in the Written Procedure. The Holders that have not adopted or voted for a decision shall not be liable for any damages that this may cause other Holders.
- 17.13 All costs and expenses incurred by the Issuer or the Agent for the purpose of convening a Holders' Meeting or for the purpose of carrying out a Written Procedure, including reasonable fees to the Agent, shall be paid by the Issuer.
- 17.14 If a decision shall be taken by the Holders on a matter relating to these Terms and Conditions, the Issuer shall promptly at the request of the Agent provide the Agent with a certificate specifying the number of Bonds owned by Group Companies or (to the knowledge of the Issuer) their Affiliates, irrespective of whether such Person is directly registered as owner of such Bonds. The Agent shall not be responsible for the accuracy of such certificate or otherwise be responsible to determine whether a Bond is owned by a Group Company or an Affiliate of a Group Company.
- 17.15 Information about decisions taken at a Holders' Meeting or by way of a Written Procedure shall promptly be sent by notice to the Holders and published on the websites of the Issuer and the Agent, provided that a failure to do so shall not invalidate any decision made or voting result achieved. The minutes from the relevant Holders' Meeting or Written Procedure shall at the request of a Holder be sent to it by the Issuer or the Agent, as applicable.

18 HOLDERS' MEETING

- 18.1 The Agent shall convene a Holders' Meeting by sending a notice thereof to each Holder no later than five (5) Business Days after receipt of a request from the Issuer or the Holder(s) (or such later date as may be necessary for technical or administrative reasons). If the Holders'

Meeting has been requested by the Holder(s), the Agent shall send a copy of the notice to the Issuer.

- 18.2 Should the Issuer want to replace the Agent, it may convene a Holders' Meeting in accordance with Clause 18.1 with a copy to the Agent. After a request from the Holders pursuant to Clause 21.4.3, the Issuer shall no later than five (5) Business Days after receipt of such request (or such later date as may be necessary for technical or administrative reasons) convene a Holders' Meeting in accordance with Clause 18.1.
- 18.3 The notice pursuant to Clause 18.1 shall include (i) time for the meeting, (ii) place for the meeting, (iii) agenda for the meeting (including each request for a decision by the Holders) and (iv) a form of power of attorney. Only matters that have been included in the notice may be resolved upon at the Holders' Meeting. Should prior notification by the Holders be required in order to attend the Holders' Meeting, such requirement shall be included in the notice.
- 18.4 The Holders' Meeting shall be held no earlier than ten (10) Business Days and no later than twenty (20) Business Days from the notice.
- 18.5 If the Agent, in breach of these Terms and Conditions, has not convened a Holders' Meeting within five (5) Business Days after having received such notice, the requesting Person may convene the Holders' Meeting itself. If the requesting Person is a Holder, the Issuer shall upon request from such Holder provide the Holder with necessary information from the register kept by the CSD and, if no Person to open the Holders' Meeting has been appointed by the Agent, the meeting shall be opened by a Person appointed by the requesting Person.
- 18.6 At a Holders' Meeting, the Issuer, the Holders (or the Holders' representatives/proxies) and the Agent may attend along with each of their representatives, counsels and assistants. Further, the directors of the board, the managing director and other officials of the Issuer and the Issuer's auditors may attend the Holders' Meeting. The Holders' Meeting may decide that further individuals may attend. If a representative/proxy shall attend the Holders' Meeting instead of the Holder, the representative/proxy shall present a duly executed proxy or other document establishing its authority to represent the Holder.
- 18.7 Without amending or varying these Terms and Conditions, the Agent may prescribe such further regulations regarding the convening and holding of a Holders' Meeting as the Agent may deem appropriate. Such regulations may include a possibility for Holders to vote without attending the meeting in person.

19 WRITTEN PROCEDURE

- 19.1 The Agent shall instigate a Written Procedure no later than five (5) Business Days after receipt of a request from the Issuer or the Holder(s) (or such later date as may be necessary for technical or administrative reasons) by sending a communication to each such Person who is registered as a Holder on the Business Day prior to the date on which the communication is sent. If the Written Procedure has been requested by the Holder(s), the Agent shall send a copy of the communication to the Issuer.

- 19.2 Should the Issuer want to replace the Agent, it may send a communication in accordance with Clause 19.1 to each Holder with a copy to the Agent.
- 19.3 A communication pursuant to Clause 19.1 shall include (i) each request for a decision by the Holders, (ii) a description of the reasons for each request, (iii) a specification of the Business Day on which a Person must be registered as a Holder in order to be entitled to exercise voting rights (such Business Day not to fall earlier than the effective date of the communication pursuant to Clause 19.1), (iv) instructions and directions on where to receive a form for replying to the request (such form to include an option to vote yes or no for each request) as well as a form of power of attorney, and (v) the stipulated time period within which the Holder must reply to the request (such time period to last at least ten (10) Business Days but not more than twenty (20) Business Days from the communication pursuant to Clause 19.1). If the voting shall be made electronically, instructions for such voting shall be included in the communication.
- 19.4 If the Agent, in breach of these Terms and Conditions, has not instigated a Written Procedure within five (5) Business Days after having received such notice, the requesting Person may instigate a Written Procedure itself. If the requesting Person is a Holder, the Issuer shall upon request from such Holder provide the Holder with necessary information from the register kept by the CSD.
- 19.5 When the requisite majority consents of the total Adjusted Nominal Amount pursuant to Clauses 17.5 and 17.6 have been received in a Written Procedure, the relevant decision shall be deemed to be adopted pursuant to Clause 17.5 or 17.6, as the case may be, even if the time period for replies in the Written Procedure has not yet expired.

20 AMENDMENTS AND WAIVERS

- 20.1 The Issuer and the Agent (acting on behalf of the Holders) may agree in writing to amend these Terms and Conditions or waive any provision in these Terms and Conditions, provided that:
- (a) the Agent is satisfied that such amendment or waiver is not detrimental to the interest of the Holders, or is made solely for the purpose of rectifying obvious errors and mistakes;
 - (b) such amendment or waiver is required by any applicable regulation, a court ruling or a decision by a relevant authority;
 - (c) such amendment or waiver is necessary for the purpose of having the Bonds admitted to trading on the sustainable bond list of Nasdaq Stockholm (or any other Regulated Market, as applicable) provided such amendment or waiver does not materially adversely affect the rights of the Holders;
 - (d) such amendment is made in accordance with Clause 11.3 as a result of a Base Rate Event; or

- (e) such amendment or waiver has been duly approved by the Holders in accordance with Clause 17 (*Decisions by Holders*).
- 20.2 The consent of the Holders is not necessary to approve the particular form of any amendment or waiver to these Terms and Conditions. It is sufficient if such consent approves the substance of the amendment or waiver.
- 20.3 The Agent shall promptly notify the Holders of any amendments or waivers made in accordance with Clause 20.1, setting out the date from which the amendment or waiver will be effective, and ensure that any amendments to these Terms and Conditions are available on the websites of the Issuer and the Agent. The Issuer shall ensure that any amendments to these Terms and Conditions are duly registered with the CSD and each other relevant organisation or authority.
- 20.4 An amendment or waiver to these Terms and Conditions shall take effect on the date determined by the Holders' Meeting, in the Written Procedure or by the Agent, as the case may be.

21 APPOINTMENT AND REPLACEMENT OF THE AGENT

21.1 Appointment of Agent

- 21.1.1 By subscribing for Bonds, each initial Holder appoints the Agent to act as its agent in all matters relating to the Bonds and these Terms and Conditions, and authorises the Agent to act on its behalf (without first having to obtain its consent, unless such consent is specifically required by these Terms and Conditions) in any legal or arbitration proceedings relating to the Bonds held by such Holder, including the winding-up, dissolution, liquidation, administration, company reorganisation (Sw. *företagsrekonstruktion*) or bankruptcy (Sw. *konkurs*) (or its equivalent in any other jurisdiction) of the Issuer. By acquiring Bonds, each subsequent Holder confirms such appointment and authorisation for the Agent to act on its behalf.
- 21.1.2 Each Holder shall immediately upon request by the Agent provide the Agent with any such documents, including a written power of attorney (in form and substance satisfactory to the Agent), as the Agent deems necessary for the purpose of exercising its rights and/or carrying out its duties under these Terms and Conditions. The Agent is under no obligation to represent a Holder which does not comply with such request.
- 21.1.3 The Issuer shall promptly upon request provide the Agent with any documents and other assistance (in form and substance satisfactory to the Agent), that the Agent deems necessary for the purpose of exercising its rights and/or carrying out its duties under these Terms and Conditions and the Agency Agreement.
- 21.1.4 The Agent is entitled to fees for its work and to be indemnified for costs, losses and liabilities on the terms set out in these Terms and Conditions and the Agency Agreement, and the Agent's obligations as agent under these Terms and Conditions and the Agency Agreement are conditioned upon the due payment of such fees and indemnifications.

21.1.5 The Agent may act as agent for several issues of securities issued by or relating to the Issuer and other Group Companies notwithstanding potential conflicts of interest.

21.2 Duties of the Agent

21.2.1 The Agent shall represent the Holders in accordance with these Terms and Conditions. However, the Agent is not responsible for the execution or enforceability of these Terms and Conditions. The Agent shall keep the latest version of these Terms and Conditions (including any document amending these Terms and Conditions) available on the website of the Agent.

21.2.2 The Agent may assume that the documentation, information and evidence delivered to it is accurate, legally valid, enforceable, correct, true and complete unless it has actual knowledge to the contrary, and the Agent does not have to verify or assess the contents of any such documentation. The Agent does not review the documents and evidence referred to above from a legal or commercial perspective of the Holders.

21.2.3 Upon request by a Holder, the Agent shall promptly distribute to the Holders any information from such Holder which relates to the Bonds (at the discretion of the Agent).

The Agent may require that the requesting Holder reimburses any costs or expenses incurred, or to be incurred, by the Agent in doing so (including a reasonable fee for the work of the Agent) before any such information is distributed. The Agent shall upon request by a Holder disclose the identity of any other Holder who has consented to the Agent in doing so.

21.2.4 When acting in accordance with these Terms and Conditions, the Agent is always acting with binding effect on behalf of the Holders. The Agent shall carry out its duties under these Terms and Conditions in a reasonable, proficient and professional manner, with reasonable care and skill.

21.2.5 The Agent is always entitled to delegate its duties to other professional parties without having to first obtain any consent from the Issuer or the Holders, but the Agent shall remain liable for the actions of such parties under these Terms and Conditions.

21.2.6 The Agent shall treat all Holders equally and, when acting pursuant to these Terms and Conditions, act with regard only to the interests of the Holders and shall not be required to have regard to the interests or to act upon or comply with any direction or request of any other Person, other than as explicitly stated in these Terms and Conditions and the Agency Agreement.

21.2.7 The Agent shall be entitled to disclose to the Holders any event or circumstance directly or indirectly relating to the Issuer or the Bonds. Notwithstanding the foregoing, the Agent may if it considers it to be beneficial to the interests of the Holders delay disclosure or refrain from disclosing certain information other than in respect of an Event of Default that has occurred and is continuing.

21.2.8 The Agent is entitled to engage external experts when carrying out its duties under these Terms and Conditions. The Issuer shall on demand by the Agent pay all reasonable costs for external experts engaged (i) after the occurrence of an Event of Default, (ii) for the purpose of

investigating or considering an event which the Agent reasonably believes is or may lead to an Event of Default or a matter relating to the Issuer which the Agent reasonably believes may be detrimental to the interests of the Holders under these Terms and Conditions or (iii) when the Agent is to make a determination under these Terms and Conditions. Any compensation for damages or other recoveries received by the Agent from external experts engaged by it for the purpose of carrying out its duties under these Terms and Conditions shall be distributed in accordance with Clause 16 (Distribution of proceeds).

- 21.2.9 The Agent shall enter into agreements with the CSD, and comply with such agreement and the CSD regulations applicable to the Agent, as may be necessary in order for the Agent to carry out its duties under these Terms and Conditions.
- 21.2.10 The Agent is not obligated to assess or monitor the financial condition of the Issuer or compliance by the Issuer of these Terms and Conditions, or to take any steps to ascertain whether any Event of Default has occurred. Until it has actual knowledge to the contrary, the Agent is entitled to assume that no Event of Default has occurred.
- 21.2.11 Notwithstanding any other provision of these Terms and Conditions to the contrary, the Agent is not obliged to do or omit to do anything if it would or might in its reasonable opinion constitute a breach of any law or regulation.
- 21.2.12 The Agent's duties under these Terms and Conditions are solely mechanical and administrative in nature and the Agent only acts in accordance with these Terms and Conditions and upon instructions from the Holders, unless otherwise set out in these Terms and Conditions. In particular, the Agent is not acting as an advisor (whether legal, financial or otherwise) to the Holders or any other person.
- 21.2.13 If in the Agent's reasonable opinion the cost, loss or liability which it may incur (including reasonable fees to the Agent) in complying with instructions of the Holders, or taking any action at its own initiative, will not be covered by the Issuer, the Agent may refrain from acting in accordance with such instructions, or taking such action, until it has received such funding or indemnities (or adequate security has been provided therefore) as it may reasonably require.
- 21.2.14 The Agent shall give a notice to the Holders (i) before it ceases to perform its obligations under these Terms and Conditions by reason of the non-payment by the Issuer of any fee or indemnity due to the Agent under these Terms and Conditions or the Agency Agreement, or (ii) if it refrains from acting for any reason described in Clause 21.2.12.

21.3 Limited liability for the Agent

- 21.3.1 The Agent will not be liable to the Holders for damage or loss caused by any action taken or omitted by it under or in connection with these Terms and Conditions, unless directly caused by its negligence or wilful misconduct. The Agent shall never be responsible for indirect loss.
- 21.3.2 The Agent shall not be considered to have acted negligently if it has acted in accordance with advice from or opinions of reputable external experts or if the Agent has acted with reasonable

care in a situation when the Agent considers that it is detrimental to the interests of the Holders to delay the action in order to first obtain instructions from the Holders.

- 21.3.3 The Agent shall not be liable for any delay (or any related consequences) in crediting an account with an amount required pursuant to these Terms and Conditions to be paid by the Agent to the Holders, provided that the Agent has taken all necessary steps as soon as reasonably practicable to comply with the regulations or operating procedures of any recognised clearing or settlement system used by the Agent for that purpose.
- 21.3.4 The Agent shall have no liability to the Holders for damage caused by the Agent acting in accordance with instructions of the Holders given in accordance with Clause 17 (*Decisions by Holders*) or a demand by Holders given pursuant to Clause 15.1.
- 21.3.5 Any liability towards the Issuer which is incurred by the Agent in acting under, or in relation to, these Terms and Conditions shall not be subject to set-off against the obligations of the Issuer to the Holders under these Terms and Conditions.
- 21.3.6 The Agent is not liable for information provided to the Holders by or on behalf of the Issuer.

21.4 Replacement of the Agent

- 21.4.1 Subject to Clause 21.4.6, the Agent may resign by giving notice to the Issuer and the Holders, in which case the Holders shall appoint a successor Agent at a Holders' Meeting convened by the retiring Agent or by way of Written Procedure initiated by the retiring Agent.
- 21.4.2 Subject to Clause 21.4.6, if the Agent is insolvent or becomes subject to bankruptcy proceedings, the Agent shall be deemed to resign as Agent and the Issuer shall within ten (10) Business Days appoint a successor Agent which shall be an independent financial institution or other reputable company which regularly acts as agent under debt issuances.
- 21.4.3 A Holder (or Holders) representing at least ten (10.00) per cent. of the Adjusted Nominal Amount may, by notice to the Issuer (such notice may only be validly given by a Person who is a Holder on the Business Day immediately following the day on which the notice is received by the Issuer and shall, if given by several Holders, be given by them jointly), require that a Holders' Meeting is held for the purpose of dismissing the Agent and appointing a new Agent. The Issuer may, at a Holders' Meeting convened by it or by way of Written Procedure initiated by it, propose to the Holders that the Agent be dismissed and a new Agent appointed.
- 21.4.4 If the Holders have not appointed a successor Agent within ninety (90) calendar days after (i) the earlier of the notice of resignation was given or the resignation otherwise took place or (ii) the Agent was dismissed through a decision by the Holders, the Issuer shall appoint a successor Agent which shall be an independent financial institution or other reputable company which regularly acts as agent under debt issuances.
- 21.4.5 The retiring Agent shall, at its own cost, make available to the successor Agent such documents and records and provide such assistance as the successor Agent may reasonably request for the purposes of performing its functions as Agent under these Terms and Conditions and the Agency Agreement.

- 21.4.6 The Agent's resignation or dismissal shall only take effect upon the appointment of a successor Agent and acceptance by such successor Agent of such appointment and the execution of all necessary documentation to effectively substitute the retiring Agent.
- 21.4.7 Upon the appointment of a successor, the retiring Agent shall be discharged from any further obligation in respect of these Terms and Conditions but shall remain entitled to the benefit of these Terms and Conditions and remain liable under these Terms and Conditions in respect of any action which it took or failed to take whilst acting as Agent. Its successor, the Issuer and each of the Holders shall have the same rights and obligations amongst themselves under these Terms and Conditions as they would have had if such successor had been the original Agent.
- 21.4.8 In the event that there is a change of the Agent in accordance with this Clause 21.4, the Issuer shall execute such documents and take such actions as the new Agent may reasonably require for the purpose of vesting in such new Agent the rights, powers and obligation of the Agent and releasing the retiring Agent from its further obligations under these Terms and Conditions and the Agency Agreement. Unless the Issuer and the new Agent agrees otherwise, the new Agent shall be entitled to the same fees and the same indemnities as the retiring Agent.

22 APPOINTMENT AND REPLACEMENT OF THE ISSUING AGENT

- 22.1 The Issuer appoints the Issuing Agent to manage certain specified tasks under these Terms and Conditions and in accordance with the legislation, rules and regulations applicable to and/or issued by the CSD and relating to the Bonds.
- 22.2 The Issuing Agent may retire from its assignment or be dismissed by the Issuer, provided that the Issuer has approved that a commercial bank or securities institution approved by the CSD accedes as new Issuing Agent at the same time as the old Issuing Agent retires or is dismissed. If the Issuing Agent is insolvent or becomes subject to bankruptcy proceedings, the Issuer shall immediately appoint a new Issuing Agent, which shall replace the old Issuing Agent as issuing agent in accordance with these Terms and Conditions.
- 22.3 The Issuing Agent will not be liable to the Holders for damage or loss caused by any action taken or omitted by it under or in connection with these Terms and Conditions, unless directly caused by its gross negligence or wilful misconduct. The Issuing Agent shall never be responsible for indirect or consequential loss.

23 APPOINTMENT AND REPLACEMENT OF THE CSD

- 23.1 The Issuer has appointed the CSD to manage certain tasks under these Terms and Conditions and in accordance with the legislation, rules and regulations applicable to the CSD.
- 23.2 The CSD may retire from its assignment or be dismissed by the Issuer, provided that the Issuer has effectively appointed a replacement CSD that accedes as CSD at the same time as the

old CSD retires or is dismissed and provided also that the replacement does not have a negative effect on any Holder or the listing of the Bonds listed on the sustainable bond list of Nasdaq Stockholm (or any other Regulated Market). The replacing CSD must be authorised to professionally conduct clearing operations pursuant to the Swedish Securities Market Act (Sw. lag (2007:528) om värdepappersmarknaden).

24 NO DIRECT ACTIONS BY HOLDERS

- 24.1 A Holder may not take any action or take any legal steps whatsoever against the Issuer or a Subsidiary to enforce or recover any amount due or owing to it pursuant to these Terms and Conditions, or to initiate, support or procure the winding-up, dissolution, liquidation, administration, company reorganisation (Sw. *företagsrekonstruktion*) or bankruptcy (Sw. *konkurs*) (or its equivalent in any other jurisdiction) of the Issuer or a Subsidiary in relation to any of the liabilities of the Issuer under these Terms and Conditions. Such steps may only be taken by the Agent.
- 24.2 Clause 24.1 shall not apply if the Agent has been instructed by the Holders in accordance with these Terms and Conditions to take certain actions but fails for any reason to take, or is unable to take (for any reason other than a failure by a Holder to provide documents in accordance with Clause 21.1.2), such actions within a reasonable period of time and such failure or inability is continuing. However, if the failure to take certain actions is caused by the non-payment by the Issuer of any fee or indemnity due to the Agent under these Terms and Conditions or the Agency Agreement or by any reason described in Clause 21.2.12, such failure must continue for at least forty (40) Business Days after notice pursuant to Clause 21.2.14 before a Holder may take any action referred to in Clause 24.1.
- 24.3 The provisions of Clause 24.1 shall not in any way limit an individual Holder's right to claim and enforce payments which are due to it under Clause 12.4 (Mandatory repurchase due to a Change of Control Event, De-listing Event or Listing Failure Event (put option)) or other payments which are due by the Issuer to some but not all Holders.

25 TIME-BAR

- 25.1 The right to receive repayment of the principal of the Bonds shall be time-barred and become void ten (10) years from the relevant Redemption Date. The right to receive payment of Interest (excluding any capitalised Interest) shall be time-barred and become void three (3) years from the relevant due date for payment. The Issuer is entitled to any funds set aside for payments in respect of which the Holders' right to receive payment has been time-barred and has become void.
- 25.2 If a limitation period is duly interrupted in accordance with the Swedish Act on Limitations (Sw. *preskriptionslag (1981:130)*), a new time-bar period of ten (10) years with respect to the right to receive repayment of the principal of the Bonds, and of three (3) years with respect to the right to receive payment of Interest (excluding capitalised Interest) will commence, in both

cases calculated from the date of interruption of the time-bar period, as such date is determined pursuant to the provisions of the Swedish Act on Limitations.

Conditions has not already been made public by way of a press release, the Agent shall before it sends such information to the Holders give the Issuer the opportunity to issue a press release containing such information. If the Issuer does not promptly issue a press release and the Agent considers it necessary to issue a press release containing such information before it can lawfully send a notice containing such information to the Holders, the Agent shall be entitled to issue such press release.

27 FORCE MAJEURE AND LIMITATION OF LIABILITY

- 27.1 Neither the Agent nor the Issuing Agent shall be held responsible for any damage arising out of any legal enactment, or any measure taken by a public authority, or war, strike, lockout, boycott, blockade or any other similar circumstance (a "**Force Majeure Event**"). The reservation in respect of strikes, lockouts, boycotts and blockades applies even if the Agent or the Issuing Agent itself takes such measures, or is subject to such measures.
- 27.2 The Issuing Agent shall have no liability to the Holders if it has observed reasonable care. The Issuing Agent shall never be responsible for indirect damage with exception of gross negligence and wilful misconduct.
